ENERGY STANDARD PROCUREMENT PLAN :

NOTICE OF PUBLIC HEARING

Pursuant to R.I. Gen. Laws § 39-1-27.8 and 39-26-4, the Public Utilities Commission (PUC) will conduct a public hearing on **Thursday, August 2, 2018 @ 10:00 AM** in Hearing Room A at the PUC's office located at 89 Jefferson Boulevard, Warwick, Rhode Island. The hearing will be streamed live at <http://www.ustream.tv/channel/WqQyXw296dg>.

At this hearing, the PUC will examine the propriety of a filing by The Narragansett Electric Co. d/b/a National Grid seeking approval of the Company's proposed Procurement Plans to meet its Standard Offer Service (SOS) and Renewable Energy Standard supply requirements for year 2019. The Company proposes to continue to procure SOS for each of the customer groups consisting of the Industrial Group, Commercial Group and Residential Group. The Procurement Plan includes procurement procedures, pricing options being sought and proposed terms of service for which the SOS will be procured for the customer groups. Approval of National Grid's SOS Procurement Plan will not set or amend existing retail rates; however, it may have a future impact on the retail rates ultimately filed by National Grid in year 2019. The PUC may rule immediately at the conclusion of the hearing.

The Renewable Energy Standard (RES) Procurement Plan includes methods and procedures for obtaining renewable energy resources that satisfy National Grid's RES obligations and compliance with the legislative mandate requiring National Grid to obtain 14.5% of its energy supply from a mix of new and existing renewable resources for calendar year 2019.

The filing is available for examination at the PUC's office. The filing can also be accessed at www.ripuc.org/eventsactions/docket/4809page.html. Reference is made to Chapters 39-1, 39-3 and 42-35 of the Rhode Island General Laws.

The Public Utilities Commission is accessible to the handicapped. Individuals requesting interpreter services for the hearing impaired must notify the Commission Clerk's office at 780-2107, seventy-two hours in advance of hearing date.
